

Mobile Cabinets

R Multi-Drawer Cabinets offer stylish design and impressive versatility for personalized storage management. Available in both stationary and mobile versions, the mobile model features high-quality casters, a sturdy handle for easy maneuverability, and an integrated lock-in mechanism for safety.

All models include a central locking system for simultaneous drawer locking and stabilizing bars for added rigidity. Built to last and available in a wide variety of colors, these cabinets are perfect whether you need one unit or one hundred. You'll love the quality and functionality, and we take pride in every cabinet we create!
