

Mobile Cart

Mobile carts are designed for efficiency and reliability in various environments, including offices, warehouses, and service areas.

Features

- **Customizable Shelves**
- **Robust Construction:** Made with 14-gauge steel trays and heavy-duty all-welded design.
- **Flexible Options:** Choose from lips up or down, locking swivel casters, or ergonomic handles.
- **Smooth Mobility:** Equipped with two swivel and two rigid non-marking casters.
- **Push Handle:** 1" diameter tube handle for easy maneuvering.
- **Durable Finish:** Blue powder coat finish resists wear and tear.

Applications

- Organizing and transporting loose papers, tools, or equipment.
- Suitable for offices, factories, workshops, and retail environments.

Additional Options

- Sloped shelves for organizing papers or documents.
- Custom configurations to suit specific needs.
