

Salt and Sand Bins

The toughest sand and salt bins on the market backed by our 5-year warranty!

You simply won't find one like it! Use your SOS™ storage bin to hold sand, salt, garbage in rural areas, safety equipment and more! Use it by the pool for storing chemicals, or even on trucks for storing tools safely and securely. TECHSTAR'S™ SOS™ bins come with a moulded in hasp, so they are lockable, ensuring you'll never have to worry about the contents and everything stored inside stays dry and protected.

These storage bins are rotomoulded with a double walled lid for extra durability, as well as making them more resistant to impact and harsh weather conditions. We promise Techstar's storage bins are tough and will give you years and years of use! SOS™ bins are stocked in yellow and grey with other colors available on request

Features

- **Industrial Strength:** Ideal for storing tools and equipment securely on trucks or in warehouses.
- **Outdoor Resilience:** Perfect for rural areas, these bins keep garbage contained and protected from wildlife.
- **Poolside Safety:** Safely store chemicals and pool maintenance supplies with peace of mind.
- **All-Weather Protection:** Rotomoulded with a double-walled lid, our bins endure impact and severe weather, ensuring contents stay dry and undamaged.
- **Lockable Hasp:** Equipped with a moulded-in hasp, our bins are easily lockable, ensuring security wherever they are used.
- **Color Options:** Available in stock colors like vibrant yellow and sleek grey, with customization options upon request to match your specific needs.
- **Guaranteed Durability:** Backed by our industry-leading 5-year warranty, Techstar™ SOS™ bins are built to last, offering unmatched reliability and peace of mind.
