

## Toilet Partitions

Toilet partitions provide privacy in public restrooms, coming in various styles and materials to suit different environments. They are durable, easy to clean, and designed for both aesthetics and functionality.

### Features

- Available in a variety of materials such as Phenolic, HPL, and glass.
- Resistant to moisture, impact, and scratches.
- Customizable for size, height, and hardware.

### Benefits

- Enhances user privacy and restroom appearance.
- Long-lasting, easy to maintain, and resistant to wear and damage.
- Offers flexibility in design to match any space or requirement.

### Types of Partitions

- **Standard:** Traditional partitions with small gaps at the bottom and near the door.
- **European:** Nearly full-height partitions with minimal floor gaps for enhanced privacy.
- **Single-Use Rooms:** Fully enclosed private restroom stalls.
- **Floor-to-Ceiling:** Full-length partitions for complete privacy.
